In particular, please review the information located at:

<http://csis.pace.edu/support/servicesfaq.htm>

Sincerely,

Prof. Burns

1/27/2004

Dear Ardian Haliti,

Enclosed you will find your user id, password and port numbers for the Pace Matrix server.

UserId: s04-is660g-s03

Password: KbD201wa

Port1: 18304

Port2: 18305

For more information about the matrix server:

<http://csis.pace.edu/support/faq.htm>

In particular, please review the information located at:

<http://csis.pace.edu/support/servicesfaq.htm>

Sincerely,

Prof. Burns

1/27/2004

Dear Arvinder Singh,

Enclosed you will find your user id, password and port numbers for the Pace Matrix server.

UserId: s04-is660g-s17

Password: YNp3Y1Zt4

Port1: 18332

Port2: 18333

For more information about the matrix server:

<http://csis.pace.edu/support/faq.htm>

In particular, please review the information located at:

<http://csis.pace.edu/support/servicesfaq.htm>

Sincerely,

Prof. Burns

1/27/2004

Dear Dashawn Robinson,

Enclosed you will find your user id, password and port numbers for the Pace Matrix server.

UserId: s04-is660g-s16

Password: R0xMaK4

Port1: 18330

Port2: 18331

For more information about the matrix server:

<http://csis.pace.edu/support/faq.htm>

In particular, please review the information located at:

<http://csis.pace.edu/support/servicesfaq.htm>

Sincerely,

Prof. Burns

1/27/2004

Dear Ian Loe,

Enclosed you will find your user id, password and port numbers for the Pace Matrix server.

UserId: s04-is660g-s07

Password: QBc6K9Ys6

Port1: 18312

Port2: 18313

For more information about the matrix server:

<http://csis.pace.edu/support/faq.htm>

In particular, please review the information located at:

<http://csis.pace.edu/support/servicesfaq.htm>

Sincerely,

Prof. Burns

1/27/2004

Dear Igor Draytsel,

Enclosed you will find your user id, password and port numbers for the Pace Matrix server.

UserId: s04-is660g-s02

Password: TVc3L5Nw1

Port1: 18302

Port2: 18303

For more information about the matrix server:

<http://csis.pace.edu/support/faq.htm>

In particular, please review the information located at:

<http://csis.pace.edu/support/servicesfaq.htm>

Sincerely,

Prof. Burns

1/27/2004

Dear Jenny Lok,

Enclosed you will find your user id, password and port numbers for the Pace Matrix server.

UserId: s04-is660g-s08
Password: o72N8Xr77f
Port1: 18314
Port2: 18315
