PACE
UNIVERSITY
Work toward greatness.

Job Title Examples

- Risk and Vulnerability Analyst
- Auditor
- Business Process Analyst
- Database Administrator/Developer
- Information Resources Manager
- Security Analyst
- Intrusion Analyst
- Ethical Hacker
- Computer/Network Defense Analyst (cryptologic)
- Computer Crime Investigator
- Special Agent
- Digital Forensic Examiner

Pace Programs

Pace University
a
**National Center of
Academic Excellence in Information Assurance
Education**

Pace Undergraduate Programs

The following Pace undergraduate programs include a cybersecurity component:

- [Bachelor of Science in Information Technology](#)
 - Security and Information Assurance Concentration
- [Bachelor of Science in Professional Technology Studies](#)
 - Computer Forensics Concentration
- [Minor in Information Assurance in the Criminal Justice System](#)
- [Certificate in Information Assurance in the Criminal Justice System](#)

Seidenberg
School of Computer Science
and Information Systems

Pace Graduate Programs

The following Pace graduate programs include a cybersecurity component:

- [Master of Science in Computer Science](#)
 - Web Security Concentration
 - Network Security Concentration
- [Master of Science in Information Systems](#)
 - Security and Information Assurance Concentration
- [Master of Science in Internet Technology](#)
 - Security and Information Assurance Concentration
- [Advanced Certificate in Secure Software and Information Engineering](#)
- [Advanced Certificate in Security and Information Assurance](#)

Seidenberg
School of Computer Science
and Information Systems

Pace Co-Curricular Activities

- Independent Research or Independent Project w/ faculty mentorship
- Guest Speaker Seminars
- Conference Participation
- Professional Organization Membership
- Certifications
- Competition
- Internship

Scholarship Programs

- Information Assurance Scholarship Program
 - Funded by the Department of Defense
 - Pending availability of funds for AY 2015-2016

- Federal Cyber Service: Scholarship for Service
 - Funded by the National Science Foundation
 - Pending grant approval for AY 2014-2015

Scholarship Eligibility

- U.S. citizen and 18 years of age;
- Currently enrolled in, or applied for transfer to, an undergraduate program at Pace University;
- Pursue or intend to pursue a course of study in cybersecurity as approved by the Program Director;
- Be within two years of graduation;
- GPA of at least 3.2 (UG) or 3.5 (Grad);
- Meet selection criteria for federal employment, including obtaining a security clearance;

Scholarship Benefits

- FULL tuition and all academic fees that apply for the duration of the program (two years typically)
- Stipend for each year in the program
- Textbooks allowance for each year in the program
- Paid summer internship with the government between the scholar's first and second year in the program*
- Full-time employment with the government*

* *The SFS Scholars are responsible to apply for and obtain a position. The Scholarship Program will provide help with identifying employment opportunities.*
