

The Metropolitan New York Section of
THE MATHEMATICAL ASSOCIATION OF AMERICA

will sponsor

Graph Theory Day Seventy

A one-day meeting on Graph Theory hosted by

The Seidenberg School of Computer Science and Information Systems

Pace University

Saturday, November 7, 2015

10 A.M. – 5 P.M.

Invited Speakers

Christina Zamfirescu

Computer Science and Mathematics-Hunter College and Graduate Center, CUNY
Digraphs: Intersection, Transformations, and Applications to Questionnaire Design

Liana Brancati

Finance, Montefiore Medical Center, New York
A graph whose vertices are the positive divisors of a given integer

Contributed Talks, Poster, and Open Problems Sessions

Participants are encouraged to send in abstracts for consideration for a proposed contributed talk and/or a poster session presentation. Deadline October 30 2015. (submissions also considered on the day of the event).

Accepted abstracts (one page limit) will be published in a *Proceedings of Graph Theory Day Seventy*. There will also be an *Open Problems Session* with discussion; so bring your (graph theory) problems!

Place

Seidenberg Lounge, Second Floor
163 William Street, New York, NY 10038
Pace University

Registration Fee

\$35 includes breakfast, lunch, and a \$5 contribution to the MAA Graph Theory Fund.
Lunch can only be guaranteed for those who register by Deadline November 2 2015

To submit abstracts and to register for Graph Theory Day 70 go to web site:

<http://csis.pace.edu/~scha/GTD70/>

Additional Information

Registration/Sign-In will begin at 10 A.M., accompanied by “coffee and”. The event activities will commence at 10:30 A.M.

For additional information contact: Edgar G. DuCasse <educasse@pace.edu> or visit
<http://csis.pace.edu/~scha/GTD70/>

Organizing Committee

Co-Chairs: Sung-Hyuk Cha, Edgar G. DuCasse, Louis V. Quintas (Pace University),
Armen Baderian (Nassau Community College, SUNY and Metro New York MAA)
