The Metropolitan New York Section of
THE MATHEMATICAL ASSOCIATION OF AMERICA
will sponsor
Graph Theory Day Seventy-Two
A one-day meeting on Graph Theory hosted by
The Seidenberg School of Computer Science and Information Systems
Pace University
Saturday, November 5, 2016
10 A.M. – 5 P.M.

</div>

Invited Speakers

Dr. Miguel A. Mosteiro
Department of Computer Science, Pace University
Information Dissemination in Bipartite Graphs

Dr. Matthias Autrata
Enterprise Infrastructure, Morgan Stanley
Semantic Graph Databases at Morgan Stanley

Contributed Talks and Open Problems Session

Participants are encouraged to send in abstracts for consideration for a proposed contributed talk and/or a poster session presentation Deadline October 30, 2016. Submissions are also possible on the day of the event. Send abstracts to: scha@pace.edu
Accepted abstracts will be published in a *Proceedings of Graph Theory Day Seventy-Two.*
There will also be an *Open Problems Session* with discussion; so bring your (graph theory) problems!

Place

Seidenberg Lounge, Second Floor
163 William Street, New York, NY 10038
Pace University

Registration Fee

$35 includes breakfast, lunch, and a $5 contribution to the MAA Graph Theory Fund.
Registration will be On-Site
